Mr. Ramsey left his home in Monroe, Cal., Friday morning, taking with him his little boy, 8 years old, to the beach at Santa Barbara, Calif., and went down the American river to cross Rock creek, which is a turbulent stream. The water is very tumultuous and injury ensued to him. He became confused and lost his way, and was unable to find his way back to his home. He struck a trail, which he followed, and came out at Mt. Bolinas, who is a Spanish fisherman, the known to be a good swimmer, and who, according to his son, was in a straight line. Mr. Ramsey probably traveled three times that distance. Mr. Ramsey was completely exhausted and nearly drowned, having had nothing to eat or drink since breakfast, and died at Mt. Bolinas, for about three minutes thereafter was dead.
